

*What Kind of Dispatcher*  
**TALKS HUNTING WITH DRIVERS?**

The kind of dispatcher who never forgets drivers are people. Like Ed Carrier:

“We understand what life on the road is like for long-haul owner operators. Which is why we get to know all our drivers. Because sometimes they just want someone to talk to. We figure that’s partly why we have such low turnover. After all, there’s more to life than military freight. Like hunting, for starters.”
